Re - Planting & maintenance of Avenues in Mysore City

With reference to your letter No L 7674 dated 16th January 1949 pointing out certain discrepancies with regard to the head of account to which this estimate is chargeable, I have the honour to inform you that there is no discrepancy in this case

"Maintenance and Planting of Avenue Trees" is one of the detailed heads to the sub-head "Drainages and other works" in the City, in the Budget Estimates of the current year A lump sum provision of Rs 7,000/- has been included for this work in the sub-head "Drainage and other works in the City", for which the sanctioned bydget provision is Rs 1,50,000/- against Rs 2,75,000/- provided for by this office in the Draft Budget Under these circumstances, the estimate may kindly be sanctioned under the sub-head "Drainage & other Works in the City" This point could have been got cleared if a reference had been made
